GENETICALLY MODIFIED ORGANISM STATEMENT

To the best knowledge and belief of the undersigned, the Pure Vanilla Powder, manufactured by Cook Flavoring Company, does not contain any ingredient(s) which has been genetically modified nor has the product been subjected to any process which would cause the final product to be genetically modified.

In addition, Cook's flavorings are made without the use of irradiation and without the use of sewage sludge.

Sincerely,

Donald Schmidt  
Cook Flavoring Company
