**The Date:** Wednesday, May 19

**The Delivery:** Vegan French toast mix

**Staff Pick:** Being our only delivery of the day, the French toast mix from **Mom's Vegan Kitchen**

**The DL:** Even if it wasn't the only delivery, this mix probably would have made Staff Pick. The VN staffers are major fans of French Toast, so we're looking forward to giving this product a try. In addition, this line will be coming out with more goodies in the near future!
